ONSITE+

Step Tip Step Drill

At first glance, it might look like a regular step drill, but the unique composite Z cut, paired with the Alpha Onsite+ unique patented step tip design, lets you take your step drilling to the next level.

Alpha's new Onsite+ Step Tip Step Drill is loaded with innovative tech to make your job easier and faster. Enjoy incredibly fast starts, boosted cutting efficiency, and up to 3x the lifespan compared to standard step drills.

It uses a unique composite Z cut with specialised flute grinding technology that has two cutting edges in each step, meaning it aggressively removes metal and clears out the chips as it goes.

The unique patented step tip design eliminates the need for a pilot hole while reducing wandering, to create precise and accurate holes.

DISCOVER THE RANGE:

4 - 12mm
2 Flute - Spiral
